Department of Chemical Engineering, Lviv National Polytechnic University (Ukraine)
New Chemical Syntheses Institute (Poland)
Department of Chemical and Process Engineering, Rzeszow University of Technology (Poland)
Department of Informatics and Environment Quality Research, Warsaw University of Technology (Poland)
Division of Bioprocess and Biomedical Engineering, Wroclaw Universiy of Science and Technology (Poland)

are pleased to invite you to the

2nd INTERNATIONAL SCIENTIFIC AND PRACTICAL CONFERENCE

CHEMICAL TECHNOLOGY AND ENGINEERING

Ukraine, Lviv, June 24-28th, 2019

Languages: English, Ukrainian

Date: June 24-28, 2019

Venue: Lviv Polytechnic National University, Lviv, Ukraine

Topics of the Conference:

- Computer simulation in the chemical technology and engineering
- Development, energy and resource saving in the chemical and food technologies
- The innovative technologies in the chemical and food industries
- Optimization of biochemical processes and bioengineering
- Green chemistry
- Alternative and non-conventional energy sources
- Ecology and sustainable development. Environmental protection

Deadlines for early bird registration:

- Deadline for the early bird registration and abstracts submission – **March 15, 2019**
- Deadline for notification of paper acceptance or rejection for the early bird registered abstracts – **March 30, 2019**
- Deadline for the early bird registration fee payment – **April 15, 2019**

The Conference materials will be published online in PDF. The proceedings will have ISSN. Every article will be published online with DOI.

All additional information can be found on the conference website:
